

# 7 : My girl

Lucy: Your girl?

$\text{♩} = 84$

TOM

PIANO

5 **A**

My girl will be the apple of my eye I'll be glad I found her My girl will be the

10

one to make me sigh With my arm a-round her Her smile her laugh will

14

haunt me from the start And I will know that we shall never part My girl Will you be

BELOW STAIRS

18

**B**

LUCY, gently mocking and picking up the pace

Your girl would have to be a craz-ything With no sense or feel - ing

My girl.

23

She'd need much more than just a wed-ding ring To find you ap - peal - ing

27

She would turn a-way when - ev - er you came near Hop - ing ve - ry soon that you would dis - ap - pear

31

Your girl I'm not yet your girl

TOM returns to slower romantic pace

*mf*

BELOW STAIRS

35

C

My girl will be so gen-tle, warm and kind Lips so soft and tend - er Some say the way of

40

love is tru-ly blind So she will sur - ren - der She'll be the one my arms were made to hold

45

Our love will be more prec-ious yet than gold My girl I love her, my girl

49

D

LUCY, softening

Your girl would find that love was true in-deed Your words say so clear - ly

TOM

My girl would give me
